Dear Sir:

Further to the Amendment filed on May 28, 2010 (hereafter "May 28 Amendment") in the above-identified patent application, this communication is respectfully submitted to clarify that the heading of the May 28 Amendment, listed as "Amendment under 37 C.F.R. §1.116", was an inadvertent mislabeling of the May 28 Amendment. The Office Action mailed December 28, 2009 was non-final, and therefore the May 28 Amendment was filed and intended as an amendment after non-final rejection. Any reference to final Office Action in the May 28 Amendment is a typographical error. Appropriate consideration of the May 28 Amendment as an amendment after non-final rejection is respectfully requested. If any questions arise regarding this communication, the Examiner is invited to contact Applicants' representative listed below.

Respectfully submitted,

HAMRE, SCHUMANN, MUELLER &  
 LARSON, P.C.
